Industry meetings

(Continued from page 82)

California Landscape Contractors Association Meeting, November 9-12, Sahara Tahoe, Lake Tahoe, Nev.

American Society of Landscape Architects Meeting, November 12-16, Hotsprings, Va.

Ornamental Growers Association of Northern Illinois Meeting, November 18, Itasca, Ill.

Farm Equipment Manufacturers Association Meeting, November 26-30, Hollywood, Fla.

DECEMBER

Soil Science Society of America Meeting, December 3-8, Chicago, Ill.

National Fertilizer Solutions Association National Convention & Chemical Equipment Exhibition, December 4-7, Atlanta, Ga.

For additional information about a specific conference or industry meeting, contact the executive officer of the sponsoring organization. Find this information and the mailing address in this issue under DIRECTORY OF ASSOCIATIONS/ ORGANIZATIONS, on page 1.

1977 Index of **Grounds Maintenance.** *feature articles*

I. Feature Subjects by Issue Date—1977

January, 1977

GM interview of the month...Associated Landscape Contractors of America, Inc.
Turf—a quality of life; Dr. James B. Beard.
Contract versus in-house—Managing tree care; Harleigh Kemmerer.
At the Smithsonian Institute...Historical treasures, enticing gardens.
GM guide to managing steep slopes; Dr. John P. Baumgardt.
Detecting/controlling tree diseases and pests: Maple.
Brick patio construction; Dr. Ronald C. Smith.
The Freeport Park District—a maintenance case study; Alan R. Caskey.

February, 1977

A dry, wet year.
Managing paved surfaces; Harleigh Kemmerer.
Using a mechanical tree planter; Dr. Ronald C. Smith.
At Interstate North Office Park...A city-country blend.
Shrubs that stay small; Dr. John P. Baumgardt.
Chart of accounts—Landscape construction contracting; David E. Lofgren.

COMPLETE
PERFECT SEED BED PREPARATION
WITH JUST ONE TOOL

No need to own, load, haul and use plows, discs, rotary tillers, blades, drags or harrows to do the job.

Just one implement, the Roseman Tiller-Rake does the complete job quickly, efficiently and perfectly. Adjust pitch control wheel to scarify hardest ground to till, pulverize, grade spread and finish-rake.

From rough construction sites to perfect seedbeds at tremendous savings in time, labor, equipment and cost.

Thousands of satisfied users. Order yours today.

Also manufacturers of quality gang mowing equipment.

ROSEMAN TRACTOR EQUIPMENT CO.

2 Gallon Sample Proves

WET ROOF PATCH

SHIELD-TITE® WET SURFACE ROOF REPAIR KITS are designed to patch all types of roofs in any weather. They will adhere to a wet roof, even under rain, snow, or coldest weather conditions. SHIELD-TITE is a permanent patch which will stop leaks causing costly damage to storage, production, and other areas of your plant. It comes in two consistencies: trowel-type for around flashings and holes, and brush-type for larger areas or places where it is difficult to pinpoint the leak. FREE 2 Gallon Sample. (Offer not valid for home use.)

(Continued from page 89)

How to cope with turf flooding; Dr. James B. Beard.
Selecting a self-propelled, compact loader; Melvin E. Long.
The Elmhurst Park District—a maintenance case study; Alan R. Caskey.

March, 1977

Managing water features; Harleigh Kemmerer.
Selecting portable hole diggers; Melvin E. Long.
Winter damage to turf; Dr. James B. Beard.
Camellias: Southern landscape backbone moves North; Dr. John P. Baumgardt.
Flagstone patio construction: Dr. Ronald C. Smith.
GM guide to nonselective weed control; A. J. Turgeon.
Ground cover; David E. Lofgren.
Award-winning Lake Buena Vista Shopping Center.
Effect of growth retardants on plant morphology; Donald M. Elkins.
GM guide to 1977 horticulture chemicals.

April, 1977

Recycled water.
Practicing erosion control; Harleigh Kemmerer.
Monofilament trimmers are a fast, efficient way to cut brush.
Nonselective weed control in turf; A. J. Turgeon.
The San Diego Wild Animal Park.
Salinity in turf; Dr. James B. Beard.
Chart of accounts; David E. Lofgren.
Suitable soils; Dr. John P. Baumgardt.

May, 1977

Industry-wide perspective on water; J. Clark Gingerich.
Turfgrass water stress and drought; Dr. James B. Beard.
How to cost equipment use; David E. Lofgren.
Backhoe selection and operation; Melvin E. Long.
Light for indoor plants; Dr. John P. Baumgardt.
Miami-Dade Community College, Jaguar Field.
Controlling excess water; Harleigh Kemmerer.
The City of Wilmington—a maintenance case study; Bruce A. Smith.
Rocks in the landscape; Harleigh Kemmerer.
Planting trees with a power auger; Dr. Ronald C. Smith.

June, 1977

Saving dollars with wood chips.
GM interview of the month...Professional Grounds Management Society.
A successful pioneer landfill operation; Robert Dyment.
The personnel interview; David E. Lofgren.
Suitable soils: Texture and fertility; Dr. John P. Baumgardt.
The City of Hope Medical Center... Horticulture complements medicine.
Potential uses for turfgrass clippings; Dr. James B. Beard.
Good groundskeeping; Harleigh Kemmerer.
Turfgrass water stress and drought; Dr. James B. Beard.
Organic water recycling at Kentucky Horse Park.
The Elmhurst Park District; Alan R. Caskey.
A tree removal process; Dr. Ronald C. Smith.

July, 1977

Inspections; David E. Lofgren.
What you should know about quality seed testing; Dr. Robert W. Schery.
Selecting mulch for successful seeding; Dr. James B. Beard.
Matching your needs with landscape construction equipment; Dr. Ronald C. Smith.
The display rose garden; Dr. John P. Baumgardt.
How to control tree diseases and pests: Birches.

August, 1977

Thatch—causes and control; Dr. James B. Beard.
Utility transport trailers; Melvin E. Long.
Arlington Memorial Gardens...Inspirational settings.
Soil sterilization; Dr. John P. Baumgardt.
Saving those valuable trees; Dr. Ronald C. Smith.

September, 1977

Site accommodation for the handicapped; Gary Robinette.
How to control tree diseases and pests: Honeylocusts.

At Mississippi State...A horticultural campus.
GM guide to trencher selection; Melvin E. Long.
Pre-treatment controls bulb bloom time; Dr. John P. Baumgardt.
Protecting against winterkill; Dr. James B. Beard.
Planters in the landscape; Harleigh Kemmerer.

October, 1977

Light; Kathy Copley
Site accommodation for the handicapped; Gary Robinette.
Announcing winners of the 1977 Professional Grounds Maintenance Awards.
Zoysia tenuifolia often overlooked; Dr. James B. Beard.
Group purchasing cuts costs, work; Joseph H. Schultz.
Nutrients; Dr. John P. Baumgardt.
Managing leaf removal; Harleigh Kemmerer.

November, 1977

An outdoor sport to consider...Lawn bowling; Dr. James B. Beard.
Site lighting considerations; Gary Robinette.
At Tulsa's Tracy Park...Annual color steals the show.
Plants for low light situations; Kathy Copley.
Maintenance pruning throughout the year; Dr. John P. Baumgardt.
Streamlining snow and ice removal; Harleigh Kemmerer.

II. Feature Subjects by Major Classification of Reader Interest.

1. BUSINESS AND OPERATION MANAGEMENT

GM interview of the month...Associated Landscape Contractors of America, Inc. (Jan.)
Contract versus in-house—Managing tree care; Harleigh Kemmerer. (Jan.)
GM guide to managing steep slopes; Dr. John P. Baumgardt. (Jan.)
The Freeport Park District—a maintenance case study; Alan R. Caskey. (Jan.)
The Elmhurst Park District—a maintenance case study; Alan R. Caskey. (Feb.)
Managing water features; Harleigh Kemmerer. (March)
GM guide to nonselective weed control; A. J. Turgeon. (March)
Practicing erosion control; Harleigh Kemmerer. (April)
Chart of accounts; David E. Lofgren. (April)
Industry-wide perspective on water; J. Clark Gingerich. (May)
How to cost equipment use; David E. Lofgren. (May)
Controlling excess water; Harleigh Kemmerer. (May)
The City of Wilmington—a maintenance case study; Bruce A. Smith. (May)
Saving dollars with wood chips. (June)
GM interview of the month...Professional Grounds Management Society. (June)
The personnel interview; David E. Lofgren. (June)
Good groundskeeping; Harleigh Kemmerer. (June)
The Elmhurst Park District; Alan R. Caskey. (June)
Inspections; David E. Lofgren. (July)
What you should know about quality seed testing; Dr. Robert W. Schery. (July)
Matching your needs with landscape contruction equipment; Dr. Ronald C. Smith. (July)
Thatch—causes and control; Dr. James B. Beard. (Aug.)
Site accommodation for the handicapped; Gary Robinette. (Sept.)
Protecting against winterkill; Dr. James B. Beard. (Sept.)
Group purchasing cuts costs, work; Joseph H. Schultz. (Oct.)

2. LANDSCAPE DESIGN AND CONTRACTING.

GM guide to managing steep slopes; Dr. John P. Baumgardt. (Jan.)
Brick patio construction; Dr. Ronald C. Smith. (Jan.)
Using a mechanical tree planter; Dr. Ronald C. Smith. (Feb.)
Managing water features; Harleigh Kemmerer. (March)
Flagstone patio construction; Dr. Ronald C. Smith. (March)
Light for indoor plants; Dr. John P. Baumgardt. (May)
Controlling excess water; Harleigh Kemmerer. (May)
Rocks in the landscape; Harleigh Kemmerer. (May)
A successful pioneer landfill operation; Robert Dyment. (June)
Suitable soils: Texture and fertility; Dr. John P. Baumgardt. (June)
A tree removal process; Dr. Ronald C. Smith. (June)
Selecting mulch for successful seeding; Dr. James B. Beard. (July)
Matching your needs with landscape construction equipment; Dr. Ronald C. Smith. (July)
The display rose garden; Dr. John P. Baumgardt. (July)
Saving those valuable trees; Dr. Ronald C. Smith. (Aug.)
Site accommodation for the handicapped; Gary Robinette. (Sept.)
Planters in the landscape; Harleigh Kemmerer. (Sept.)
Site accomodation for the handicapped; Gary Robinette. (Oct.)
An outdoor sport to consider...Lawn bowling; Dr. James B. Beard. (Nov.)

3. PLANT MATERIAL/PESTS CHEMICAL/TECHNICAL

Turf—a quality of life; Dr. James B. Beard. (Jan.)
GM guide to managing steep slopes; Dr. John P. Baumgardt. (Jan.)
Detecting/controlling tree diseases and pests: Maple. (Jan.)
Shrubs that stay small; Dr. John P. Baumgardt. (Feb.)
How to cope with turf flooding; Dr. James B. Beard. (Feb.)
Winter damage to turf; Dr. James B. Beard. (March)
Camellias: Southern landscape backbone moves North; Dr. John P. Baumgardt. (March)
Ground cover; David E. Lofgren. (March)
Effect of growth retardants on plant morphology; Donald M. Elkins. (March)
GM guide to 1977 horticulture chemicals. (March)
Recycled water. (April)
Practicing erosion control; Harleigh Kemmerer. (April)
Nonselective weed control in turf; A. J. Turgeon. (April)
Salinity in turf; Dr. James B. Beard. (April)
Suitable soils; Dr. John P. Baumgardt. (April)
Industry-wide perspective on water; J. Clark Gingerich. (May)
Turfgrass water stress and drought; Dr. James B. Beard. (May)
Light for indoor plants; Dr. John P. Baumgardt. (May)
Controlling excess water; Harleigh Kemmerer. (May)

Saving dollars with wood chips. (June)
Suitable soils: Texture and fertility; Dr. John P. Baumgardt. (June)
Potential uses for turfgrass clippings; Dr. James B. Beard. (June)
Turfgrass water stress and drought; Dr. James B. Beard. (June)
Organic water recycling at Kentucky Horse Park. (June)
What you should know about quality seed testing; Dr. Robert W. Schery. (July)
Selecting mulch for successful seeding; Dr. James B. Beard. (July)
The display rose garden; Dr. John P. Baumgardt. (July)
How to control tree diseases and pests: Birches. (July)
Thatch—causes and control; Dr. James B. Beard. (Aug.)
Soil sterilization; Dr. John P. Baumgardt. (Aug.)
Saving those valuable trees; Dr. Ronald C. Smith. (Aug.)
How to control tree diseases and pests: Honeylocusts. (Sept.)
Pre-treatment controls bulb bloom time; Dr. John P. Baumgardt. (Sept.)
Protecting against winterkill; Dr. James B. Beard. (Sept.)
Site accommodation for the handicapped; Gary Robinette. (Oct.)
Zoysia tenuifolia often overlooked; Dr. James B. Beard. (Oct.)
Nutrients; Dr. John P. Baumgardt. (Oct.)
Site lighting considerations; Gary Robinette. (Nov.)
Plants for low light situations; Kathy Copley. (Nov.)
Maintenance pruning throughout the year; Dr. John P. Baumgardt. (Nov.)

4. CASE HISTORIES/AWARD WINNERS

At the Smithsonian Institute...Historical treasures, enticing gardens. (Jan.)
The Freeport Park District—a maintenance case study; Alan R. Caskey. (Jan.)
At Interstate North Office Park...A city-country blend. (Feb.)
The Elmhurst Park District—a maintenance case study; Alan R. Caskey. (Feb.)
Award-winning Lake Buena Vista Shopping Center. (March)
The San Diego Wild Animal Park. (April)
Maimi-Dade Community College, Jaguar Field. (May)
The City of Wilmington—a maintenance case study; Bruce A. Smith. (May)
The City of Hope Medical Center... Horticulture complements medicine. (June)
The Elmhurst Park District; Alan R. Caskey. (June)
Arlington Memorial Gardens...Inspirational settings. (Aug.)
At Mississippi State...A horticultural campus. (Sept.)
Announcing winners of the 1977 Professional Grounds Maintenance Awards. (Oct.)
At Tulsa's Tracy Park...Annual color steals the show. (Nov.)

5. SUPPLIES SELECTION

Brick patio construction; Dr. Ronald C. Smith. (Jan.)
Using a mechanical tree planter; Dr. Ronald C. Smith. (Feb.)
Selecting a self-propelled, compact loader; Melvin E. Long. (Feb.)
Selecting portable hole diggers; Melvin E. Long. (March)
Flagstone patio construction; Dr. Ronald C. Smith. (March)
Effect of growth retardants on plant morphology; Donald M. Elkins. (March)
GM guide to 1977 horticultural chemicals. (March)
Monofilament trimmers are a fast, efficient way to cut brush. (April)
Backhoe selection and operation; Melvin E. Long. (May)
Light for indoor plants; Dr. John P. Baumgardt. (May)
Rocks in the landscape; Harleigh Kemmerer. (May)
Planting trees with a power auger; Dr. Ronald C. Smith. (May)
Saving dollars with wood chips. (June)
Suitable soils: Texture and fertility; Dr. John P. Baumgardt. (June)
Utility transport trailers; Melvin E. Long. (Aug.)
GM guide to trencher selection; Melvin E. Long. (Sept.)
Planters in the landscape; Harleigh Kemmerer. (Sept.)
Nutrients; Dr. John P. Baumgardt. (Oct.)
Site lighting considerations; Gary Robinette. (Nov.)

6. EQUIPMENT OPERATION, SERVICING AND SELECTION

Using a mechanical tree planter; Dr. Ronald C. Smith. (Feb.)
Selecting a self-propelled, compact loader; Melvin E. Long. (Feb.)
Selecting portable hole diggers; Melvin E. Long. (March)
Monofilament trimmers are a fast, efficient way to cut brush. (April)
Backhoe selection and operation; Melvin E. Long. (May)
Planting trees with a power auger; Dr. Ronald C. Smith. (May)
Matching your needs with landscape construction equipment; Dr. Ronald C. Smith. (July)
Utility transport trailers; Melvin E. Long. (Aug.)
GM guide to trencher selection; Melvin E. Long. (Sept.)
Streamlining snow and ice removal; Harleigh Kemmerer. (Nov.) □

Your Chipper Knives need never be dull again!

Because this fabulous OZTEC Chipper Sharpener lets you sharpen the knives in 10 to 15 minutes without removing them from the machine!
